Warranty and Limitation of Liability

RV WindSkirt, Inc. will cover any manufacturing defect of the product for your skirt for a period of ninety (90) days and the fabric for your skirt for a period of ninety (90) days from the date of purchase. The warranty does not cover color fading of the product or fabric due to ultra-violet light or sun exposure, damage due to faulty installation (e.g., installing the skirt onto an unstable surface, using shorter screws than those provided by RV WindSkirt, Inc. etc.), or misuse of the skirt or product (e.g., leaving the skirt attached while moving the vehicle, exposure to chemicals/open flames, etc.). If your claim relates to a skirt part, RV WindSkirt, Inc. will either help you to repair the part or we will replace the part for you. If your claim relates to the fabric or manufacturing, please contact RV WindSkirt, Inc. so we can determine if the issues can be fixed or if the skirt will need to be returned. RV WindSkirt, Inc. will not pay for installation costs or to have skirt parts repaired by an independent repair person. Any alterations made to your skirt or product (e.g., cutting the fabric, making changes to the design assembly, etc.) will void your warranty.
